New Coastal Kingdom Episode Features Bald Eagles

A new episode of The County Channel's award-winning nature series, **Coastal Kingdom** will premiere this Sunday, January 21 at 8 p.m. This episode on bald eagles features one of the most charismatic species in the Lowcountry and conservation efforts to protect eagles and other raptors. Segments include a trip high up into an active eagle nest to return a fallen chick and a visit to the [Center for Birds of Prey](#) to release a rehabilitated bald eagle.

Coastal Kingdom is hosted by naturalist and educator Tony Mills of Spring Island and is a production partnership between [The LowCountry Institute](#) and [The County Channel](#). Watch programming live on Comcast channel 2, Hargray channels 9 and 113, and Spectrum channel 63. Viewers can also watch programming live and on-demand at [The County Channel's website](#) at www.bcgov.net. Coastal Kingdom also airs on South Carolina ETV and the South Carolina Channel.
